CLASS HISTORY

We began our Freshman year with 18 boys and 10 girls. Larry King, Don McClintick, Wilbur Brown, Martha Grisey, Fay Mosbaugh, Delores Lacey, Ella May Lacey, and Kay Givens were new students. During the year Aaron White, Bonnie Williams, and Leo Wise joined our class and Ella May Lacey moved away. Our officers were Keith Bowers, President; Bob Gordon, Vice-President; and Preston Rinker, Secretary and Treasurer. The Seniors properly initiated us and we enjoyed the party given for us afterwards. The Christmas party was held at Fay Mosbaugh's. Dick Webb was elected as our Student Council member. Jeanie Newton was elected as our candidate for Basketball Queen and won the honor of being the Queen. Our second class party was a journey to Turkey Run State Park.

We had 22 boys and 9 girls at the beginning of our Sophomore year, with Dow Kiger as a new member. During the year Bonnie Williams, Jerry Cockrill, Steve Snyder, Jim Grace, and Wilber Brown withdrew and later the second semester, Jerry Cockrill returned. Our officers were Dick Webb, President; Bob Gordon, Vice-President; Fay Mosbaugh, Secretary; Preston Rinker, Treasurer; and Hazel McCauley, Reporter. Our class sweaters were ordered in Columbia Blue with white letters and numerals. We sponsored a skating party at Alexandria. Our Christmas Party was held at Hazel McCauley's and in the spring we journeyed to Brown County. Hazel McCauley was our candidate for Basketball Queen and Jeanie Newton was our candidate for Track Queen. Our Student Council representatives were Dick Webb and Hazel McCauley.

Our Junior year began with 19 boys and 8 girls and during the year Don McClintick moved to Lapel. Our officers were: Dick Webb, President; Hazel McCauley, Vice-President; Jeanie Newton, Treasurer; and Linda Carey, Secretary and Reporter. Our Student Council representatives were Hazel McCauley, Dick Webb, and Bob Gordon. Linda Carey was our candidate for Basketball Queen and also became Queen. Our class rings arrived the first of December. The Christmas party was at Bob Gordon's. We sponsored a skating party at Alexandria and also gave a class play, "Finders Creepers." We had a party after the play at Bill Haworth's home. The first of the year, as Juniors, we also had a magazine sales campaign.

Eight girls and eighteen boys enrolled as Seniors. Jerry Cockrill moved during the year. We sponsored a skating party at Noblesville. Our officers were: Preston Rinker, President; Bob Gordon, Vice-President; Hazel McCauley, Secretary; and Jeannie Newton, Treasurer. Our sponsors were Mr. Bauchert and Miss Thornburg. Our class play was "Good Gracious, Grandma" and since it was given during the week and just before the beginning of the basketball season we didn't have a party. We sold charm bracelets saying "Walnut Grove HS", boxes of mints and peanut brittle, name plates for cars, as well as magazine subscriptions. We got our Senior pictures, name cards, and announcements. Our Student Council representatives were: Bob Gordon, Hazel McCauley, Dick Webb, and Preston Rinker. As our Senior year of high school closed, the class journeyed to Washinton and New York. When we returned there was a mad scramble to get all of our tests finished, and to make sure everything was ready for Baccalaureate and Commencement. We were also guests at the Alumni Banquet.

CLASS PROPHECY

The year is 1967, the place is a sheltered underground city and as we look around we find the members of the Class of 1957 as residents of this underground community.

Keith Bowers is found using the new method of farming by radar, using push buttons.

Edna Carey is now married and the proud mother of six children.

Linda Carey has become a high class secretary, and is looking for a rich unmarried boss.

Gene Dent is still the only male usher at the Cinerama, and has now attained the head position.

Patsy Eller has the highly paid job of doing the diseasing for a faith healer.

Allen Essig is the President of the Giggle-Pill industry and business is really cackling.

Tom Fox is the famous designer of the new space helmet, and low cut space suits.

Kay Givens is the most popular female rock and roll singer of the year.

Bob Gordon is the newly appointed head of the "Lonely Hearts Society."

Bill Haworth is the head butler in the large southern mansion owned by a retired principal, Mr. Kerr.

Dow Kiger is now working ? ? in an insane asylum.

Larry King is a salesman of jalopy rocket ships.

Delores Lacey is now married and teaching the techniques of the southern drawl.

Hazel McCauley is a licensed surgeon and now the head butcher at the meat packing company.

Fay Mosbaugh is married to her sixth husband and still undecided.

Jeanie Newton is Society Editor and writer of a gossip column in a nationwide newspaper.

Dave O'Bryhim is "The Mad Chemist" and at the rate he is going we may not be here long!

Preston Rinker is Mayor of the city and he spends every night "on the town."

Keith and Wayne Schulenburg are working trying to perfect an artificial sheep so that it doesn't eat anything and all will be profit.

Tom Tharp is still growing and is now playing for the professional "Gym Dandies" basketball team.

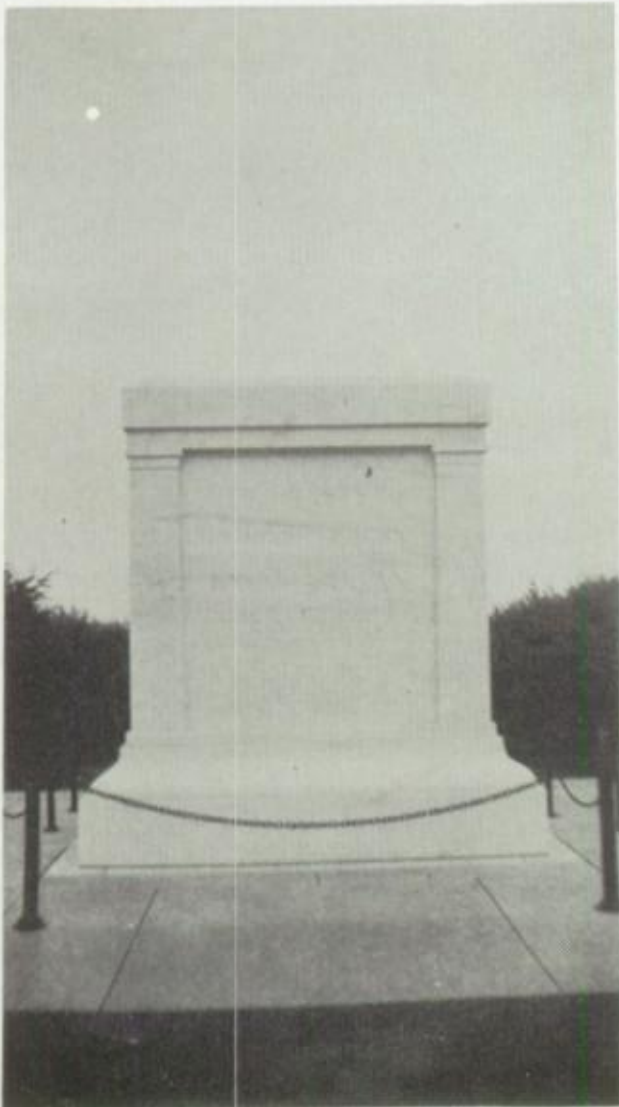

Dick Webb is the present athletic coach at the exclusive girls' college.

Aaron White runs a rocket refueling station next to Larry King's jalopy rocket lot.

Charles Wilham owns the only honest-to-goodness "hillbilly" guitar left in these parts and he knows how to make it work.

Ted Wilboit is our most eligible bachelor and is continually visiting Dick Webb.
